Jane and others want to expand the area and they have made that known the Exide Advisory Board and to the State. I know of no specific request to EPA to opine on this request. I know that before one of the last advisory board meetings there was a separate meeting, organized by Jane I believe, and expansion was a topic of discussion. I can't remember if Steven attended that pre- meeting.

Hi Enrique, John and Dan,
Do any of you know anything about this request from Jane to expand the area of Exide? Matt just received this from Jane. Please advise as to what an appropriate response would be.

Thank you,
Mindy Cherng Clements, EPA R9 SFD Brownfields & Site Assessment, 415-972-3169 (w) 415-308-4154 (m)

Hi Mindy - I do not recollect this request. I can respond as such or we can inform Jane on what we know on Exide. Please advise. Thanks M

Matt,

Greetings! Hope you had a Happy Halloween!

I am just checking in on our request to expand the area of investigation at Exide past the 1.7 miles. I will send you the map that Dr. Wells did for us on this topic.

Hope you are well.

Cordially,

Jane Williams
